

# Spring is Here

(Jingle Bells)

Spring is here! Spring is here!  
That's what people say.  
No, don't pout, the sun is out,  
The breeze is warm all day.

YAY!

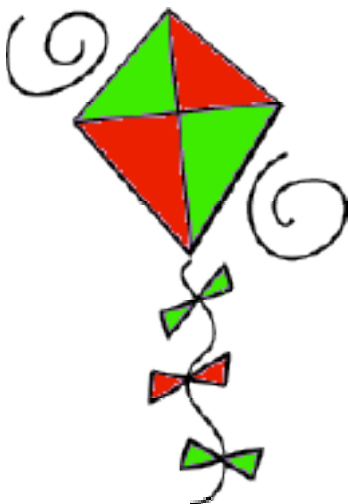

Spring is here! Spring is here!  
That's what people say.

Flowers bloom and birdies zoom,  
As cold days go away.

Bye, bye heavy coats.  
Hello, shorts and hats.  
Let's go out and fly a kite,  
Spring's the time for that!

Bye, bye winter skies.  
Hello, yellow sun.  
Let's go out and run about,  
Spring's the time for fun!  
(Repeat 1st verse)
