

He'll Be Coming Down the Chimney

"She'll Be Coming Down the Mountain."

He'll be driving flying reindeer when he comes -

Say what?

He'll be driving flying reindeer when he comes -

Say what?

He'll be driving flying reindeer, He'll be driving flying reindeer. He'll be driving flying reindeer when he comes -

Say what?

He'll be dressed like old, fat Santa when he comes -

Ho, ho, ho.

He'll be sliding down the chimney when he comes -

Whoosh! Bam!

He'll be bringing toys and goodies when he comes -

Hooray!

He will chow down on some cookies when he comes -

Yum! Yum!

We will shout out Merry Christmas when he comes -

Merry Christmas!
